At BIMM University we provide an extensive range of courses in modern music, performing arts, and filmmaking to over 9,000 students across 14 colleges in the UK, Germany and Ireland. We have a long-standing commitment to providing the highest quality in creative arts education, allowing students to maximise their career potential.

For 40 years, we've equipped our students with the knowledge and skills they need to meet the demands of the creative industries – and graduate feeling industry-ready. Beyond academic life, BIMM University offers a community built on a shared passion, creativity, and belief system. Our inclusive culture is at the core of everything that we do, binding us together and driving us forwards.

BIMM University students benefit from a range of unique collaborative opportunities across music, film and performing arts, developing skills they will take into their future creative careers.
