AUDITION GUIDELINES

BA (Hons) Hair & Make Up for Screen & Film

Welcome to Screen & Film School; below is a guide so you know what to expect and how to make the most of your Applicant Day, as well as tips on how to put together and present your portfolio.

Applicant days are a great opportunity to explore our facilities, attend a professional Hair & Make-Up demonstration, discover industry-standard products and application techniques as well as receiving feedback on your portfolio from an industry professional.

What to expect on the day

WORKSHOPS
Our Hair & Make-up workshops will take you behind the scenes of what goes on at a professional shoot. We'll discuss everything from make-up design, tools, application, and techniques.

Workshops can include:

- Period Hair & Make-up
- SFX Make up
- Ageing Make up

PORTFOLIO REVIEW
Portfolio examples can include previous work on models, self-portraits, make-up designs, sketches or mood boards. We really want to see your passion for Hair & Make-Up, and we only need to see a few examples of work – it can even be photos taken on your phone.

You will have 15 minutes to share and discuss your work with a member of our academic team – work can be displayed on a USB or printed out as a physical portfolio.

THE NEXT STEPS
Once you have attended an Applicant Day and presented your Portfolio you will receive a course offer from our Admissions team.

You will need to apply via UCAS.co.uk if you have not already done so, here you will be able to formally accept your offer.

We cannot wait to meet you on the day, if you have any questions about your Applicant Day or Application, please do email us on **admissions@bimm.ac.uk**
