

# Audition Guidelines

---

BA (Hons) Popular Music Performance (Guitar)  
& Event Management

## What to expect

---

Auditions last one hour and are 1-1 with a BIMM assessor. You will be asked some questions about yourself and will have the opportunity to ask any questions you may have about the course.

## What to prepare ahead of the day

---

- Please prepare a song to perform that you feel comfortable with that lasts around 3 minutes. It can be an original or cover and you can perform solo or to a backing track. We will have a guitar amp and lead for you to use on the day.
- If you are performing to a backing track, please ensure you bring this with you, or that it is available through a web browser, such as YouTube.
- Please prepare approximately 16 bars of two contrasting styles to play at any preferred tempo. Examples include, rock, blues, punk, soul, metal, reggae etc.
- Your assessor will work through some technical exercises with you such as:
  - Major and minor chords in two different positions
  - Major and minor scales
  - Major and minor pentatonic scales
  - Rhythm guitar part/riff of your choice to a metronome.
- You will be asked to work through some sight reading and music theory-based exercises. Please do not worry if your theory knowledge is limited. We offer a practitioner support scheme to those who need to brush up their theory in the first year of their course
- Please prepare to answer questions about your experience, aspirations and interests within Event Management. You may be asked what events and/or entrepreneurs relevant to the music industry inspire you? Your assessor will also explore with you what you hope to gain from your studies and discuss your career goals.
