Screen & Film

APPLICANT PACK

Welcome to MetFilm School! This guide will help you get ready for your Applicant Day, outlining what to expect and how to make the most of your experience, and providing tips on creating and presenting your portfolio.

The Applicant Day is your chance to explore our facilities, attend a professional hair and make-up demonstration, try out industry-standard products and application techniques, and receive valuable feedback on your portfolio from an industry professional. Most importantly, this day will help you find out about the course you are most interested in.

WHAT TO EXPECT ON THE DAY

Workshops
Our enticing workshops will take you behind the scenes, giving you the opportunity to discover what goes on at a professional shoot. In these sessions, we discuss everything from make-up design to tools, application and techniques.

Workshops may include:

- period Hair & Make-up
- SFX Make-up
- ageing Make-up

Portfolio review
Your portfolio may include make-up designs, work on models, self-portraits, sketches or mood boards. We want to see your passion for hair and make-up, and we only need to see a few examples – they can even be photos taken on your phone!

For your Portfolio review, you'll have 15 minutes to share and discuss your work with a member of our Academic Team, so please present a small segment of your best work. Work can be displayed on a website or USB stick, or you could bring a physical copy in a folder.

We will send over a full schedule of the Applicant Day in advance, so keep an eye on your emails.

Next steps
Once you've attended an Applicant Day and completed your Portfolio review, our Admissions Team will be in touch with the outcome.

If you receive an offer, you will need to apply via UCAS (or directly via our website, if you're an international applicant) if you have not already done so. Then, you can formally accept your offer.

We can't wait to meet you! If you have any questions about the Applicant Day or your application, please email us at admissions@metfilm.ac.uk.
