

# Audition Guidelines

---

BA (Hons) Popular Music Performance (Bass)  
& Event Management

## What to expect

---

Auditions last one hour and are 1-1 on Zoom with a BIMM assessor. You will be asked some questions about yourself and will have the opportunity to ask any questions you may have about the course.

## What to prepare ahead of the day

---

- Please prepare a song to perform on bass that you feel comfortable with that lasts around 3 minutes. It can be an original or cover and you can perform solo or to a backing track.
- If you are performing to a backing track, please ensure this is set up and able to be played from a suitable device.
- Please prepare approximately 16 bars of two contrasting styles to play at any preferred tempo. Examples include, rock, blues, punk, soul, metal, reggae, funk etc.
- Please prepare to work through some technical exercises during the audition such as:
  - Major/minor scales
  - Bass riff/line
  - Major/minor pentatonic scales
  - If the above exercises are demonstrated successfully, your assessor may ask you to demonstrate slap bass technique
- You will be asked to work through some sight reading and music theory-based exercises. Please do not worry if your theory knowledge is limited. We offer a practitioner support scheme to those who need to brush up their theory in the first year of their course.
- Please prepare to answer questions about your experience, aspirations and interests in Event Management. You may be asked questions about what events and/or entrepreneurs relevant to the music industry inspire you. Your assessor will also explore what you hope to gain from your studies and discuss your career goals within the music/creative industries.
