

# Audition Guidelines

---

BA (Hons) Popular Music Performance (Vocals)  
& Event Management

## What to expect

---

Auditions last one hour and are 1-1 on Zoom with a BIMM assessor. You will be asked some questions about yourself and will have the opportunity to ask any questions you may have about the course.

## What to prepare ahead of the day

---

- Please prepare two songs to perform that you feel comfortable performing. The songs must be contrasting styles e.g. pop, jazz, blues, soul, punk, rock. A verse and a chorus will be enough and you can either perform to a backing track or accompany yourself.
- If you are performing to a backing track, please ensure you have this set up and ready to play from a suitable device.
- Please prepare to work through some technical exercises during the audition such as:
  - Major/minor scales
  - Intervals within one octave
  - Ability to harmonize
- You will be asked to work through some sight reading and music theory-based exercises. Please do not worry if your theory knowledge is limited. We offer a practitioner support scheme to those who need to brush up their theory in the first year of their course
- Please prepare to answer questions about your experience, aspirations and interests in Event Management. You may be asked questions about what events and/or entrepreneurs relevant to the music industry inspire you. Your assessor will also explore what you hope to gain from your studies and discuss your career goals within the music/creative industries.
