

## **Screen and Film School Essential Equipment Guide 2024/25**

To make the most of your studies we advise you start your course with the kit and materials outlined in this document.

Please note:

- You will need to replace materials as you use them and should aim to start each academic year with a full kit and set of materials.
- Some optional modules will require additional materials not listed here. Please ask your course leader for more details.
- You may need additional materials to complete your assessments. Please ask your course leader for more details.
- It is recommended that you have a Personal laptop and External hard drive; access will be provided on site during opening hours if this is not possible.

### **1 BA (Hons) Filmmaking**

No Specialist equipment is required but you are strongly recommended to have a personal laptop and at least 1TB external hard drive.

### **2 BA (Hons) Production Design for Screen & Film**

#### **Approximate cost:**
