### **What to expect:**

Auditions/interviews are one to one with a BIMM Institute Assessor and will last 1 hour. This is your opportunity to tell us about you and show your skill set for the course of interest.

During your audition you will have the opportunity to ask questions about the course, provide details on your musical background such as recording/performance experience, and discuss genres you have a keen interest in. Your assessor will also explore with you what you hope to gain from your studies and discuss your musical aspirations.

### **Your Prepared Songwriting Performances:**

You must prepare two original songs to perform live. The songs must be played either on a melodic instrument or a backing track that you have produced yourself. You must sing your own vocal melodies.

The course is performance based so we are looking for a satisfactory level of not only songwriting proficiency but also instrumental ability. You'll need to be competent enough to convey your ideas as a writer but to also showcase your abilities as a performer.

Please ensure you have ready:

- Your own instrument of choice.
- If using a backing track, please ensure it is your own original composition/production and set up beside you.
- Recorded material can be used to strengthen your audition overall and does not replace the requirement for you to accompany yourself with an instrument.
- Lyric sheets, notebooks or workbooks (if applicable to share via the chat function)
- Anything else that supports your creative process
