We are a community of creatives with a passion for Music, so what does it take to be part of BIMM Institute? As a BIMM Institute student you will be creative, collaborative, innovative, professional and continue to push the boundaries of the Music Industry.

What to expect

Auditions and interviews are one to one with a BIMM Institute Assessor and will last up to 1 hour.

During your audition or interview you will have the opportunity to ask questions about the course, demonstrate your skill set and experience, discuss all aspects of the industry and why this course and area of the music industry excites you. Your assessor will also explore with you what you hope to gain from your studies and discuss your aspirations. To prepare for the interview, please have a think of your favourite event management companies, entrepreneurs and what you know about how the industry actually works.

Presentation Preparation

Please prepare a 5-minute presentation covering ONE of the following topics:

- A current development or issue within the music industry
- A culturally important event or festival: historical or modern day
- A prominent entrepreneur relevant to the music / events industry
- A live music event company
- Present an event you have created or been involved with. Explain your role, how the event was planned and reflect on how it went / what could be improved next time.

The presentation will help create a discussion centre piece for your interview. It is not designed to test your presenting skills, but to encourage thought and conversation which will help determine suitability for the course. You might want to include statistics and quotes, or other assets, that can support your presentation.

You can deliver your presentation in a way you feel is effective to communicate your thoughts and ideas. For example, we would recommend a PowerPoint or Keynote presentation as a standardised way of presenting to ensure quality.
