

Audition Guidelines

BA (Hons) Popular Music Performance (Drums)
& Music Production

What to expect

Auditions last one hour and are 1-1 on Zoom with a BIMM assessor. You will be asked some questions about yourself and will have the opportunity to ask any questions you may have about the course.

What to prepare ahead of the day

- Please provide a video of you performing a song on Drums in advance of your audition. Please choose a song which demonstrates your ability and you feel comfortable with. Performance to a backing track is preferred. The backing track must be a “drum-less” version but may include a click track.
- Please prepare approximately 16 bars of two contrasting styles to play at any preferred tempo. Examples include, rock, blues, punk, soul, metal, reggae etc.
- Your assessor will ask you to demonstrate the following exercises:
 - Single stroke roll (16th notes/semiquavers) - 100-160 bpm
 - Double stroke roll (16th notes/semiquavers) - 100-140 bpm
 - Paradiddle (16th notes/semiquavers) - 100-140 bpm
 - Straight pop groove with metronome at 100bpm OR shuffle groove with metronome at 80bpm
- You will be asked to work through some sight reading and music theory-based exercises. Please do not worry if your theory knowledge is limited. We offer a practitioner support scheme to those who need to brush up their theory in the first year of their course.
- Please prepare two demos that are around 3 minutes long. The demos must have been programmed and mixed by yourself and any recorded elements managed by you (studio collabs are permitted). Please note, we do not expect you to have played any of the instruments recorded. Your demos will be marked on:
 - Ability to explain your work
 - Quality of recorded material
 - Quality of mix and arrangement
 - Quality of sequenced material
- Please email your Drums video and Music Production demos as a link via a sharing platform (e.g. soundcloud, youtube, spotify, googledrive, onedrive etc) to admissions@bimm.ac.uk ahead of your interview. Please note, we cannot accept email attachments or download files. Please send your demos in by the deadline outlined in your email confirmation.
- Please come prepared with a track that you find inspiring. Be prepared to discuss the production techniques that you find interesting. The track can be a song, audio from a film, game or TV and should not be an original/your own work.

If you have any questions about what to prepare please email admissions@bimm.ac.uk
