

# Audition Guidelines

---

BA (Hons) Popular Music Performance (Guitar)  
& Music Production

## What to expect

---

Auditions last one hour and are 1-1 on Zoom with a BIMM assessor. You will be asked some questions about yourself and will have the opportunity to ask any questions you may have about the course.

## What to prepare ahead of the day

---

- Please prepare a song to perform on guitar that you feel comfortable with that lasts around 3 minutes. It can be an original or cover and you can perform solo or to a backing track. If you are performing to a backing track, please ensure this is set up and able to be played from a suitable device.
- Please prepare approximately 16 bars of two contrasting styles to play at any preferred tempo. Examples include, rock, blues, punk, soul, metal, reggae etc.
- Your assessor will work through some technical exercises with you such as:
  - Major and minor chords in two different positions
  - Major and minor scales
  - Major and minor pentatonic scales
  - Rhythm guitar part/riff of your choice to a metronome.
- You will be asked to work through some sight reading and music theory-based exercises. Please do not worry if your theory knowledge is limited. We offer a practitioner support scheme to those who need to brush up their theory in the first year of their course
- Please prepare two demos that are around 3 minutes long. The demos must have been programmed and mixed by yourself and any recorded elements managed by you (studio collabs are permitted). Please note, we do not expect you to have played any of the instruments recorded. Your demos will be marked on:
  - Ability to explain your work
  - Quality of recorded material
  - Quality of mix and arrangement
  - Quality of sequenced material
- Please email the links to your demos (e.g. soundcloud, youtube, spotify, googledrive, onedrive etc) to [admissions@bimm.ac.uk](mailto:admissions@bimm.ac.uk) ahead of your interview. Please note, we cannot accept email attachments or download files. Please send your demos in by the deadline outlined in your email confirmation.
- Please come prepared with a track that you find inspiring. Be prepared to discuss the production techniques that you find interesting. The track can be a song, audio from a film, game or TV and should not be an original/your own work.
