L3 Extended Diploma in Songwriting

Your prepared performance (1 video)

- Please record performing two original songs. You can accompany yourself with a live instrument or a backing track. If you are using a backing track, please ensure you were involved in the production process
- Please note the course is performance based so we are looking for a satisfactory level of not only songwriting proficiency but also instrumental ability. You'll need to be competent enough to convey your ideas as a writer but to also showcase your abilities as a performer.

Making and submitting your video

Your video doesn't have to be recorded and edited professionally. Recordings using smart phones/tablets and laptops are suitable as long as the audio/video quality is clear and we can see a full body shot.

Please upload your video to a platform like youtube, dropbox or vimeo and send via one email to admissions@bimm.co.uk using the submission form provided in your booking confirmation email.

If you have any questions about what to prepare please email admissions@bimm.ac.uk
