

Remote Audition Guidelines

BA (Hons) Popular Music Performance (Vocals) & Music Production

Your prepared performance (1 video)

- You must prepare two songs to perform that you feel comfortable performing. One song must be a cover of your choosing and the other an original song written by yourself. The songs should be of contrasting styles e.g. pop, jazz, blues, soul, punk, rock. A verse and a chorus will be enough and you can either perform to a backing track or accompany yourself.

Instrument skills - technique (1 video)

We would like you to demonstrate the following:

- Major & minor scales
- Intervals within one octave
- With the 'Lean on Me' - Bill Withers backing track, please improvise a harmony over the original melody
- Sing a phrase, lick or exercise of your choice to a metronome

Theory & Sight Reading (1 video)

- We would like you to work through the attached theory and sight-reading exercises in one recorded take. Please do not worry if your theory knowledge is limited. We offer a practitioner support scheme to those who need to brush up their theory in the first year of their course

Music production demos (2 submissions)

Please submit two demos that are around 3 minutes long. The demos must have been programmed and mixed by yourself and any recorded elements managed by you (studio collabs are permitted). Please note, we do not expect you to have played any of the instruments recorded.

Your demo will be marked on:

- Quality of recorded material
- Quality of mix and arrangement
- Quality of sequenced material

Making and submitting your videos/submission

Your videos don't have to be recorded and edited professionally. Recordings using smart phones/tablets and laptops are suitable as long as the audio/video quality is clear and we can see a clear body shot.

Please upload your videos and demos to a platform like youtube, dropbox or vimeo and send via one email to admissions@bimm.co.uk using the submission form provided in your booking confirmation email.

If you have any questions about what to prepare please email admissions@bimm.ac.uk
